## IN HONOR OF MEMORIAL DAY, THE FOLLOWING POEMS AND WRITINGS WERE FOUND IN THE BEALS HIGH SCHOOL 1945 OCEAN BREEZE YEARBOOK.

### "VE-DAY"

The victory in Europe has finally come! What a glad day it is for thousands of homeless and desolate people over there. Yes, and it is a great victory for the men who have fought there from the United States, Great Britain, Canada, and Russia. Little we know of the joy in their hearts! Yet there is a ray of sadness when they remember their buddies who made the supreme sacrifice, buddies who once fought side by side with them and now are lying in the earth marked by white crosses.

Some of the soldiers have been seriously wounded, crippled for life, or blinded; others have been tortured and starved in German prison camps. One cannot blame these warriors and their friends if they feel bitter and cold toward the German people as a whole.

Our boys, many of them at least, will be coming home, but others are not through battle yet! They must fight in another war, the war with the Japanese, who are equally as cruel an enemy as the Germans were.

The leaders of our nation and the citizens realize that there is a great victory yet to be won as do those fighting in the Pacific theater of war and those who fought in Europe. The President of the United States, Harry S. Truman, asked us to thank God for this victory in Europe, to remember those who have made the supreme sacrifice, and to ask God to help us win a speedy victory over Japan.

Let us buy bonds and keep buying them until it is impossible for us to do so any longer. And, too, let us be a "Praying" nation and build up within the hearts of each and every individual true brotherly love for those across the seas in war torn countries. Then we will show true patriotism; and then we will be taking a big step toward a Lasting Peace.

*Addie E. Norton, '46*

### WORK FOR A SECOND VICTORY

At last Germany has been brought to a crushing defeat. For more than five years and eight months the world has been witnessing the worst war in the history of mankind. Now on May 8, 1945, joint

proclamations from Washington, D.C., London, and Moscow have brought the European War to an official end.

We should certainly be glad, but we should not forget to thank God for his mercy on our nation. Not an enemy bomb or shell has hit our land. The horrors of this war are unknown to most people except through magazines, newspapers, and movies.

In direct contrast much of Europe has been laid waste. Europe has starved and suffered through these years of turmoil and bloodshed. Innocent people have been murdered, women and children, as well as men have been used as instruments for torture. With the news coming in of the horrors of the German camps of concentration we are beginning to realize the terrible things that have taken place in Europe.

Before us now is the battle with Japan. The outcome of this conflict is certain but the question is: 'How soon can Japan be brought to her knees?' Upon that hinges the fate of many of America's finest men. Therefore, each and every American should do all that lies within his power until the surrender of Japan brings peace once more to a suffering world.

Many of our service men have written to their friends for pictures taken around home, especially of the water front. We are including the two pages of local scenes with the hope that we may bring pleasure to those who are in the service and that they may soon be able to enjoy these scenes in reality.

## IN TRIBUTE TO OUR LATE PRESIDENT

### FRANKLIN DELANO ROOSEVELT

God has called him from his country,  
The land he fought for till death;  
He died a courageous soldier,  
And now he lies at rest.

Not as a soldier in battle,  
Not as a sailor sea;  
But as the president of our Nation,  
He has struggled to keep us free.

We shall always hoor this great Leader,  
Who prayed that this "Crusade"  
might soon cease; And worked faithfully  
with our Allied Nations,  
To insure to the world "A Lasting Peace.

**Elizabeth B. Porter, '46**

### THE 8th DAY OF MAY

Why were the Allies so happy  
On the 8th day of May?  
Because of their great triumph,  
And, at last, it was V-E Day.

But we still have a battle before us,  
And we're bound to pull through;  
Now to help get this war over  
Is up to me and you.

It came on President Truman's birthday,  
And people gathered to pray,  
To thank God for the victory  
That was won on the 8th day of May.

As we won't have complete victory  
Until 'Old Glory' waves in Japan,  
We should all work hard for V-J Day  
By helping in every way we can.

**Marcia Woodward, '45**

### MEDITATION

As I gazed from my window  
Early one morning in May,  
I saw, beyond fields of green,  
A beautiful calm blue bay.

There were many boats on the ocean,  
Sailing and gliding along;  
It was truly a wonderful sight  
And it filled my heart with a song.

Then I bowed my head in prayer,  
To thank God for faith and trust;  
And I prayed for the boys over there,  
Who are fighting and dying for us.

**Addie E. Norton, '46**

## V-E DAY

THIS is the time we've worked and waited for,  
And we're thankful for V-E Day,  
That has made the Allies victorious,  
When it came on the eighth day of May.

The Allies made old Hitler run;  
They've shot and killed Mussolini.  
Now we're going after the Japanese  
Who are tricky, toothy and skinny.

We're bombing the homeland of the Japs

So radio and papers say,  
But we won't stop at anything  
Until it is actually V-J Day.

**Paul R. Beal '47**

### THE TASK

World War I was fought in Europe,  
World War II all over the world;  
We hope this one will end all wars  
As the Flags of Freedom are unfurled.

Many gave their lives;  
To them high tribute we pay;  
But we must not forget the wounded  
Who fought to give us V-E Day.

This task now facing the Allies  
Is to wipe out those ivory jaws  
Few of them know anything about God;  
They care little for and don't respect laws.

**Ruth Lenfestey, '45**

*According to [www.defense.gov](http://www.defense.gov) ,  
the meaning of VE-Day and  
VJ-Day is as follows:*

On Victory in Europe Day or V-E Day, Germany unconditionally surrendered its military forces to the Allies, including the United States. On May 8, 1945 – known as Victory in Europe Day or V-E Day – celebrations erupted around the world to mark the end of World War II in Europe.

V-J Day, or Victory over Japan Day, marks the end of World War II, one of the deadliest and most destructive wars in history. When President Harry S. Truman announced on August 14, 1945, that Japan had surrendered unconditionally, war-weary citizens around the world erupted in celebration.
